

Privacy Statement for SWISS Technical Services

SWISS Technical Services has created this privacy statement in order to demonstrate our firm commitment to privacy. The following discloses our information gathering and dissemination practices for this website.

When you make a registration, the system requires Users to give contact information such as name and e-mail addresses and in some cases partial or full postal address or telephone number. This information is used to contact you with company, product or other information we deem to be of interest to registered Users. We also use information you are providing to customize the content of our site to meet your specific needs to make product improvements to our website.

We do not sell individual customer names or other private profile information to third parties. We do share User information with our partners only for specific and pertinent promotional use.

Our site provides Users the opportunity to opt-out of receiving communications from us at the point where we request information about the visitor. The site gives Users the possibility for removing their information from our database and to stop receiving future communications from us and/or using our service longer. You can unregister yourself from our promotional emails on our website in your profile.
